The Laundry Tray system is designed for above the floor “grey water” sump applications. Typical uses include laundry trays, wet bars, dehumidifiers, water softeners and air conditioner condensation. Manufactured with high quality polyethylene resins and tested to industry standards. The pre-assembled system comes complete with pump, tank, 1½” discharge and check valve.

FEATURES:
• Basin components are durable, corrosion-resistant polyethylene.
• Box and cover have a matching textured finish.
• 1-1/2” threaded inlet and vent.
• Grommet cord seal.
• Accommodates 1-1/2” discharge piping.
• Stainless steel bolts.
• Large 6 gallon capacity.
• Size: 15” x 15” x 14”
• Package weight 19-1/2 lbs. (Includes pump)
